

School grades in which **meningococcal conjugate ACYW (Men-C-ACYW) vaccines** are routinely administered, in each province and territory

School Year	Provinces and Territories												
	BC	AB	SK	MB	ON	QC	NB	NS	PE	NL	YT	NT	NU
Grade 4										1 dose			
Grade 6			1 dose	1 dose									
Grade 7					1 dose			1 dose					
Grade 9	1 dose	1 dose					1 dose		1 dose		1 dose		1 dose
Grade 12												1 dose (see note #2)	

Note #1: Meningococcal conjugate ACYW vaccines protect against meningococcal types A, C, Y, and W135.

Note #2: In the **Northwest Territories**, the Men-C-ACYW vaccine is offered only to Grade 12 students who will be attending post-secondary education outside of the NT.

Note #3: If your child or teen needs to catch up on their vaccines, is immune compromised, or has a chronic health condition, please talk to your healthcare professional about when they should receive their vaccines. You can also visit the Public Health Agency of Canada website for more information:
