

The background of the entire page is decorated with several purple, spherical virus particles of varying sizes. These particles have a textured surface composed of smaller, rounded protrusions, resembling the structure of a papillomavirus. They are scattered across the white background, with some appearing larger and more prominent than others.

LE HPV: UN VIRUS QUE NOUS POUVONS TOUS VAINCRE

#AskAboutHPV

**Le HPV est un virus qui
peut provoquer des cancers.**
Protégez-vous et protégez
vos proches.
